INSTRUCTIONS TO THE STATEMENT OF CHANGE ON FORM LLC-1016

A statement of change form must be filed by a Virginia or foreign limited liability company ("LLC") to change its registered agent and/or registered office address information on file with the Commission. A statement of change may be completed and filed online at www.sccefile.scc.virginia.gov, or this form may be completed and mailed to the Clerk's Office. No fee is required for filing a statement of change. *For more information, see our FAQs at www.scc.virginia.gov/clk/befaq/ra.aspx.*

The statement must be in the English language, typewritten or printed in black, and legible and reproducible.

Section A Unless a new registered agent is listed in the Revised Information area, the current registered agent will continue to be the registered agent of record after this form is filed.

The limited liability company may have only one registered agent.

The limited liability company may not serve as its own registered agent.

When the registered office address is being changed, provide a complete address (e.g., street address, city/town, state, and zip code), even though some of the current information may stay the same.

The registered office address (i) must be identical to the address of the registered agent's business office, (ii) must be located in Virginia, and (iii) must include a street name and number if one is associated with the location. The registered office may not be located at a commercial mail receiving agency (including a virtual office). A post office box (alone) is acceptable *only* for towns/cities that have a population of 2,000 or less when no street address or rural route and box number is associated with the location of the registered office.

The locality reflects the name of the county or independent city in which the registered office is physically located. When the registered office address lists a town, the locality information needs to list the county in which the town is located.

Section B Whenever a new registered agent is listed in Section A, the qualification of the person who is to serve as the new registered agent must be listed in Section B. If a person does not completely meet one of the listed qualifications, the person is not authorized to serve as the LLC's registered agent in Virginia. Section B may also be used to change the current registered agent's qualification on the records of the Commission.

Section C The printed name and title of the person signing the statement must be set forth below his or her signature.

Whenever the statement is used to change the registered agent, it must be signed (i) by a manager, (ii) by a person who has been delegated the right and power to manage the business and affairs of the LLC (and the box indicating this authority has been granted must be checked), (iii) by a member, or (iv) on behalf of a foreign LLC, by a person who is authorized to sign an instrument of amendment to be filed in the state or jurisdiction under whose laws the foreign LLC is formed. (Note: The title "owner" is not acceptable.)

A person may sign with the title "registered agent" in only two instances.

1. The current registered agent may sign if, and only if, (i) the registered agent's business office has been relocated and this statement is being used to change the registered office address to that location, or (ii) the registered agent's name has been legally changed (which should be noted in Section A).
2. The new registered agent may sign if, and only if, it is a business entity that was the survivor of a merger with the current registered agent (which should be noted in Section A) and the new registered agent is a Virginia or foreign business entity that is authorized or registered to transact business in Virginia.

Important: Whenever the statement is signed by a registered agent, the registered agent must check the box to the right of the signature to affirm that notice of the filing has been sent to the LLC.

Important: A person signing on behalf of a business entity *that is the registered agent of the LLC* must set forth his or her printed name, the person's title as to the business entity, the business entity's name, and the business entity's title as to the LLC (i.e., "registered agent"). See § 13.1-1003 of the Code of Virginia.

It is a Class 1 misdemeanor for any person to sign a document he or she knows is false in any material respect with intent that the document be delivered to the Commission for filing. See § 13.1-1006 of the Code of Virginia.

Submit the original, signed statement to the Clerk of the State Corporation Commission, P.O. Box 1197, Richmond, VA 23218-1197, (Street address: 1300 East Main Street, Tyler Building, 1st Floor, Richmond, VA 23219). If you have any questions, please call (804) 371-9733 or toll-free in Virginia, 1-866-722-2551.

INSTRUCTIONS TO FORM LLC-1018.1

The law requires that this statement be on a form prescribed and furnished by the Commission. The statement must be in the English language, presented on uniformly white, opaque paper, and be typewritten or printed in black, legible and reproducible, and free of visible watermarks and background logos.

The principal office is the office where the principal executive offices of the limited liability company are located. See § 13.1-1002 of the Code of Virginia. It is also the location at which the limited liability company is required to keep a current list of the full name and last known business address of each member of the limited liability company, as well as the other limited liability company information and records specified in § 13.1-1028 of the Code of Virginia.

The principal office address must include a street and number, if one is associated with the principal office's location. A rural route and box number may only be used if no street address is associated with the principal office's location. A post office box is not acceptable given the statutory provisions described in the preceding paragraph.

The person signing the statement must print his or her name and the capacity in which he or she is signing (e.g., manager or member) beneath or opposite his or her signature. A person signing on behalf of a manager or member that is a business entity must set forth the business entity's name, his or her printed name and the capacity in which he or she is signing on behalf of the business entity. See § 13.1-1003 of the Code of Virginia.

IMPORTANT: If the statement is being signed by a person, other than a manager or member, who has been delegated the right and power to manage the business and affairs of the limited liability company, the box below the signature area must be marked. The delegation of the right and power to manage the business and affairs of the limited liability company will not be inferred from execution of the statement by a person with the title of "president" or other officer of the limited liability company.

It is a Class 1 misdemeanor for any person to sign a document he or she knows is false in any material respect with intent that the document be delivered to the Commission for filing. See § 13.1-1006 of the Code of Virginia.

Submit the original, signed statement to the Clerk of the State Corporation Commission, P.O.
